

Final Consulting Report: Ideal Customer Analysis for Shreeji Sharan Group of Companies

Executive Summary

Shreeji Sharan Group of Companies primarily serves four key customer segments: **Luxury Buyers, Families, Senior Citizens/Retirees, and Businesses**. These groups share a strong preference for **community-driven, high-quality living spaces** backed by the company's legacy of trust. Luxury Buyers prioritize exclusivity and futuristic design, while Families seek safety and amenities. Senior Citizens value serenity and engagement, and Businesses need strategic commercial locations.

Key opportunities include **enhancing community-centric messaging, expanding senior-friendly offerings, and addressing affordability concerns** for middle-class families.

Key Findings

1. Luxury Buyers (High-Net-Worth Individuals)

- **Profile**: 35-60 years old, Mumbai-based (Western Suburbs).
- **Motivations**: Premium architecture, exclusivity, status.
- **Challenges**: High pricing, limited luxury inventory.

2. Families (Middle to Upper-Middle Class)

- **Profile**: 30-50 years old, parents with children (Malad/Western Suburbs).
- **Motivations**: Safe environment, proximity to schools/hospitals.
- **Challenges**: Affordability, lack of large family units.

3. Senior Citizens/Retirees

- **Profile**: 60+ years, retired professionals.
- **Motivations**: Peaceful living, healthcare access, community events.
- **Challenges**: Few senior-friendly housing options.

4. Businesses (Commercial Buyers)

- **Profile**: SMEs/corporates near SV Road, Malad.
- **Motivations**: Prime location, quality infrastructure.
- **Challenges**: Limited flexible commercial spaces.

Cross-Cutting Themes

- **Community-Centric Living** – Strong demand for multi-generational engagement.
- **Trust & Legacy** – 30+ years of experience reassures buyers.
- **Luxury with Purpose** – High-end design paired with soulful living.

Opportunities

1. **Targeted Luxury Marketing** – Highlight exclusivity and futuristic design for HNWIs.
2. **Family-Focused Developments** – Expand mid-range, larger family units near amenities.
3. **Senior-Friendly Housing** – Introduce assisted-living features and community programs.
4. **Flexible Commercial Spaces** – Offer customizable office solutions for businesses.
5. **Affordability Solutions** – Explore flexible payment plans for middle-class buyers.

Recommendations

| Priority | Recommendation | Impact | Effort |

|-----|-----|-----|-----|

| **High** | Launch senior-friendly housing with healthcare access | ★★★★★ | Medium |

| **High** | Develop more family-centric projects (3-4 BHK) | ★★★★★ | High |

| **Medium** | Enhance luxury branding (VR tours, exclusivity campaigns) | ★★★ | Medium |

| **Medium** | Introduce flexible payment plans for mid-tier buyers | ★★★ | Low |

| **Low** | Expand commercial leasing options | ★★ | Medium |

Next Steps (Action Plan)

1. **Short-Term (0-3 Months)**

- Conduct market research on senior housing demand.
- Develop a pilot family-friendly project in Malad.
- Launch a luxury digital campaign (virtual property tours).

2. **Medium-Term (3-6 Months)**

- Partner with healthcare providers for senior living.
- Introduce flexible payment schemes for mid-tier buyers.

3. **Long-Term (6-12 Months)**

- Expand commercial real estate portfolio with modular offices.
- Evaluate land acquisition for future luxury projects.

Ownership:

- **Marketing Team** – Luxury branding & digital campaigns.
- **Product Development** – Senior/family housing features.
- **Sales Team** – Payment plan rollout.

Success Metrics:

- 20% increase in luxury inquiries in 6 months.
- 15% rise in family-unit bookings post-launch.
- 10% occupancy growth in senior-friendly projects.

****Final Note**:** By aligning offerings with these segments, Shreeji Sharan can strengthen its market position while maintaining its legacy of trust and community-driven living. ■
